Technical documentation:

The following documentation has been received and stored:

Document No	Document Name
75827 rev.B	Technical file

Terms and conditions

The product liability rest with the manufacturer, his representative or, in the absence of a representative, the importer. The following conditions may render this acknowledgement invalid:

- Changes in the design or construction of the product.
- Changes or amendments to the referenced Regulation(s).
- Changes or amendments in the standards which form the basis for documenting compliance with the essential requirements of the Regulation(s).

Conformity declaration and marking of product

In order to fully meet with the requirements of the Regulation and legally affix the UKCA mark, the manufacturer must take all measures necessary to ensure that the manufactured product comply with the technical documentation and with the requirements of the Regulation and finally draw up a Declaration of Conformity.
